HOW THE WORLD GETS TO THE WATER

ADJUSTABLE
BOAT TRAILERS

ABOUT EZ

Since 1953 Larry Johnson, founder of EZ Loader Boat Trailers and his family, have been the leaders in manufacturing boat trailers with over 10 patents and millions of trailers sold nationally and internationally throughout the years. With 4 manufacturing facilities and 11 distribution centers in North America, and 24 worldwide, EZ Loader is truly, 'How the World Gets to the Water.' EZ Loader is the one-stop shop for any type of recreational boat trailer in roller or bunk styles, as well as galvanized, black/silver textured powder-coat, aluminum, ranging from 600 pound to 15,000 pound capacity. No other company sells, services and is more well respected around the globe than EZ Loader, manufactured in the USA.

ABOUT ADJUSTABLE

With EZ Loader Adjustable Boat Trailers, choosing your new boat trailer couldn't be easier! If you know your boat's length, width, and weight with motors, fuel, and gear, you have almost all the information you need! With EZ Loader's infinitely adjustable models, one trailer can be adjusted to fit dozens of boats perfectly! Then, choose your finish; hot dipped galvanized, black/silver textured powder-coat, or aluminum, and you are ready to go! Replacement parts simply bolt onto the trailer, no welding required! This alone can save you hundreds of dollars should you ever need to repair your EZ Loader trailer. EZ Loader Adjustable trailers, it just doesn't get any easier!

**NEW
BLACK/SILVER
TEXTURED
POWDER-COATED
FINISH**

Need a single axle boat trailer? Look no further! EZ Loader has over 75 different single axle models for boats 12' to 24' in length. Bunk, roller, galvanized, aluminum, or our new black/silver textured powder-coat. Your search ends here, with EZ Loader Boat Trailers!

SINGLE AXLE

EZR 17 - 20 3100

EZL96R 15 - 18 3100

EZL90R 15 - 17 2350

EZB 14 - 17 1250

From 17' boats to 30' boats, EZ Loader has a tandem axle to fit your need. Available in 96" or 102" width, torsion suspension or spring suspension, and countless options to customize your new EZ Loader trailer. EZ Loader tandem axle trailers offer the security and braking power of four wheels, and the dependability of EZ Loader's 62 years of experience in the boat trailer industry.

TANDEM AXLE

TEZB 17 - 20 4000

TEZR 17 - 20 4000

TEZB 23 - 25 5800

TAB 20 - 23 5200

At last! A triple axle that tows so smoothly, you're vehicle will hardly know it's there! EZ Loader's advanced technology in suspension, coupled with the infinite adjustability of the trailer, means your new EZ Loader triple axle will fit your boat like a glove, and tow like a dream!

TRIPLE AXLE

TIEZB 26 - 30 9500

TIAB 30 - 34 12000

TIEZR 26 - 30 9500

Whether you've got a 14' mini-toon or a whopping 28' long tri-toon weighing up to 6800lbs, EZ Loader has you covered! EZ Loader has 21 different pontoon trailers to choose from. Available in aluminum, galvanized or our new black/silver textured powder-coat, with options and accessories to fit every need. EZ Loader is how the pontoon world gets to the water!

PONTOONS

TEZP 24-26/28 4700

TEZP 22 - 24 4325

EZP 20 - 22 2700

TEZP 20 - 22 3300

No matter what water vehicle you own, EZ Loader has a trailer to get you and your water vehicle safely to the water! With seven models to choose from in aluminum, galvanized or our new black/silver textured powder-coat, EZ Loader leads the pack in water vehicle transportation.

OPTIONS & EXCHANGES

CAN'T FIND IT?

Don't forget we have **over 1000** photographed parts in our online e-store

[estore.ezloader.com](#)

DISK BRAKES

New disc brake's calipers resist corrosion and add additional protection in tough saltwater conditions.

HYDRAULIC DRUM BRAKES

EZ Loader's hydraulic drum brakes are hot-dipped galvanized for additional protection against corrosive elements.

SWING TONGUE

New design. A perfect solution when your boat trailer is too long for its storage area. Available on many models.

SPARE TIRE AND CARRIER

Get the additional peace of mind when traveling with an O.E.M. spare tire and Carrier. Many styles to choose from.

FOOTED TONGUE JACK

Heavy duty footed tongue jack provides a strong and sturdy solution for heavier trailer/tongue weight.

PVC LOAD GUIDES

Sturdy EZ Loader pvc load guides help direct your trailer during launching and guide your boat in.

VERTICAL LOAD GUIDES

Bunk or roller vertical load guides – a perfect assist for adverse water & weather conditions. Available on select models.

CHINE LOAD GUIDES

Unique low profile load guide system centers & protects boat during & loading. Available on select models.

FIXED BUNK EXCHANGE

For boats that require extra support on smaller EZ Loader boat trailers. Ask your dealer if your model applies.

FIXED BUNK EXCHANGE ON Y-FRAME

Extra boat support for y-frame boat trailer models. Ask your dealer if your model applies.

JONBOAT EXCHANGE

Cross bunk to give extra support, adds longer bunks for jon boats and other flat bottom boats.

BUNK LOAD GUIDES

When the going gets rough, load guides help you launch & load no matter what the weather. Available on most models.

T-BUNK LOAD GUIDE

A convenient medium-duty load guide that is easy to install and fits most small-to-medium EZ Loader boat trailers.

ALUMINUM WHEEL

Upgrade your trailer with these hot new aluminum wheels. Available in 13" through 16" wheels

FOUR BUNK EXCHANGE

Replaces the regular two bunk system With a heavy-duty 3x4 four bunk pivoting system for increased support.

FOUR BUNK OPTION

Adds two additional, fully adjustable bunks to an existing two-bunk system.

CHANNEL GLIDE BUNK COVERS

EZ Loader copolymer bunk covers attach over carpeted bunks and let your boat slide on & off the trailer with ease.

BRAKE FLUSH KIT

Help clean brake components with this handy flush kit. Attach a garden hose & flush! Useful in saltwater environments.

INBOARD CROSSMEMBER EXCHANGE

Special recessed cage helps protect your boat's inboard shaft and propeller during launching & loading.

OWNERS MANUAL

EZ Loader's owner's manual provides maintenance instructions and safety tips. Free to any EZ Loader owner.

KEEL PADS AND KEEL ROLLERS

For extra protection. A selection of 4", 5", 8" and 12" keel rollers are available, as well as a variety of keel pad sizes.

12" HEAVY DUTY DOUBLE KEEL ROLLER

Adjusts to your boat perfectly during launching and loading. Automatic pivoting action. Adjustable height.

ROLL EXCHANGES

Want to update your boat trailer with the latest in patented non-marking roller technology? Ask your dealer today!

Note: Shipping weights may vary due to manufacturing variances, and added options/exchanges.

CAUTION: FOR PROPER LOAD DISTRIBUTION ON TANDEM AND TRIPLE AXLE TRAILERS, THE TRAILER, WHEN LOADED, SHOULD BE PARALLEL TO THE GROUND WHEN ATTACHED TO THE TOWING VEHICLE.

*A tongue extension at an additional charge, is required for the '1' & '2' longer models. **Available in galvanized only.

†Measurements are approximate. Please check the brake and legal load/width requirements for your state.

Note: Shipping weights may vary due to manufacturing variances, and added options/exchanges.

ALTHOUGH ALL TRAILER MODELS, descriptions, specifications, photographs and illustrations contained in this catalog were correct to the manufacturer's knowledge at the time of publication, EZ Loader Adjustable Boat Trailers Sales Corporation has a policy of continual product improvement. EZ Loader reserves the right to make changes, additions or deletions to all its products and components without notice or obligation, which may affect specifications, accessories, optional equipment and model availability. Some models pictured in this catalog are shown with optional equipment. Please consult your EZ Loader dealer for precise information about current model specifications, availability and prices. EZ Loader Adjustable Boat Trailers Sales Corporation is an NMMA certified trailer manufacturer. EZ Loader boat trailers ARE MANUFACTURED AND PROTECTED UNDER ONE OR MORE OF THE FOLLOWING PATENTS: U.S. Patent No. 4210235; U.S. Patent No.3756439; U.S. Patent No. 4278388; U.S. Patent No. 4530634; U.S. Patent No.4592694; U.S. Patent No.4196502; U.S. Patent No. 461948; U.S. Patent No.471765; U.S. Patent No.4281367; U.S. Patent No.5335934; Canadian Patent No.718785.
